# Sugaring

Body Sugaring is an ancient hair removal practice. This hair removal technique has become the number one chosen treatment because it is less painful, less irritating to the skin, reduces ingrown hairs and has a longer lasting hair removal result leaving you with softer, smoother skin. You can reduce the hair growth by up to 80%\* by using the correct homecare and remove hair as short as 1.5mm. This natural Australian owned and made product is Skinfitt's hair removal choice. Check online booking for all service and pricing details. \*Maintenance treatments MUST be within 4 weeks of previous sugaring of same body area.
